

## Treasure Chest and Treasure Map Script

Start with this sentence:

**En mi cofre de tesoro, yo tengo algo ...** \_\_\_\_\_

In my treasure chest, I have something ... (Name a color. Maybe the class will guess what it is.)

Then *choose one* of these options:

1. \_\_\_\_\_ **es importante para mí porque ...**  
(your object) is important to me because ...
2. **Me gusta** \_\_\_\_\_ **porque ...**  
It's pleasing to me (I like it) because ...
3. **Me encanta** \_\_\_\_\_ **porque ...**  
(I love it) because...

Then put your 1st object to the side and say:

**También tengo algo ...** \_\_\_\_\_

I also have something... (and name another color)

Pull your 2nd object out and go back to your three options above, and chose one.

Then go on to your 3rd object and repeat. You're only saying two sentences per object, and the sentences are almost identical. Just don't make them all the same color and the same reason.

When you're done with your objects, place them back in the treasure chest. Then hold up your map. Here's your script for the map:

**Voy a esconder mi tesoro en la isla** \_\_\_\_\_ **cerca de** \_\_\_\_\_

I'm going to hide my treasure on the island (name your island) near (name a starting point)

**Voy a andar** \_\_\_\_\_ **pasos hacia** \_\_\_\_\_

I'm going to walk (insert a number) of steps towards the (pick one: este, oeste, norte, sur)

**Voy a hacer un gran hueco y voy a poner mi tesoro dentro del hueco.**

I'm going to make a big hole and I'm going to put my treasure inside the hole.

**Y voy a poner una equis en el mapa.**

And I'm going to put an X on the map.

(Now, here's what I would do. I would write out part of the script on the inside of my treasure chest and part on the back of my map. **Then I would practice in front of a mirror until I could do my script without reading, but just the littlest glance down.** When I get to class, if I need the script, it's there. If I don't, fantastic.)

IF YOU WANT AN "A" CONVINC ME YOU KNOW WHAT YOU'RE SAYING BY NOT READING IT TO ME.

ALSO, BE CAREFUL WITH YOUR PRONUNCIATION. DON'T KNOW HOW TO SAY A WORD? ASK ME SEVERAL DAYS BEFORE AND PRACTICE.
